

Star Rep Report for 2016-2017

As a Star Rep the year went very well. I really didn't have too many responsibilities come up. I was asked to organize T-shirts for the Gala, and to communicate with the parents regarding the off ice training times. Other than struggling with the Uplifter emails when I needed to send a message to the parents, everything was great! It was a pretty easy position to fill :)

Respectfully submitted,

Krista Boulding
