

SENIOR REP REPORT 2017

This was my fourth year as a Senior Rep with the CRSC. Previously, I was the Junior, and then the Intermediate Rep as my daughter moved up through the different levels of skating.

This year was a quiet year as most communication went through Uplifter via individuals who wanted direct communication with all skaters.

As a Rep for the Senior Skaters for the 2016-2017 skating season I:

- assisted with this year' registration for skating at the end of August.
- sent out email reminders about upcoming events (i.e.: fundraisers), if there were any. Making phone calls and having personal conversations when needed.

Kind Regards,
Melody Beattie
