

## Can Power Rep Report for 2016-2017

Very little usage of this position. Only two parents made contact with me regarding queries or info to pass on to RaeAnne. Perhaps as the members become familiar with Uplifter and the new format of having access to Reps via email it will improve Rep/Member interaction.

Overall a great season, the kids looked like they were having a great time while improving their skating skills.

Respectfully submitted,

Andrea Schulte
