

CRSC AGM Coaches Report 2016/2017 Season

Can Skate:

The program was a great success in my view. Rae Anne along with myself and 9 Program assistants contributed to an efficient and productive year. The skaters have excelled greatly, I have noticed every skater becoming stronger. I am pleased to say we also have a few skaters that have achieved, or are working on, their stage 5/6. Great Job Skaters and PA's!!

I would also like to acknowledge and thank Rae Anne for her guidance this year. She has been nothing short of an incredible mentor as I work towards becoming Can skate 'Certified' in 2018.

Recommendations for 2017/2018:

- Strategize for increased registration; reaching out to schools, posters, media, etc.
- Invest in a few props for the Can Skate session to help liven up the lessons and keep the skaters more engaged; beanbags, etc.
