TO: Strathcona Gardens Recreation Complex Employees and User Groups

Due to steady increase in the number of Strathcona Garden employees and users groups parking in the School District 72 parking lot, we find it necessary to write and remind individuals that our parking lot is for School District 72 employees and visitors to our building. The Strathcona Gardens Recreation Complex provides parking for their employees and user groups.

Signage at the entrance to the parking lot provides notification to individuals that parking is for ***“School District 72 only and that unauthorized vehicles will be towed away at the owners expense”***.

Thank you for your co-operation.

Kevin W. Patrick, CPA, CGA
Secretary-Treasurer
