Except when I prepared the deposit I counted \$12 twice so take \$12 off the total profit. Sorry about that.

 Subject: Halloween Family Skate and Pizza/Punch fundraiser

Hi everyone, I wanted to say thank you to Cara and Carrie for organizing this event; looks like we had more participating this year than last; it was great to see all those skaters. Thanks to Rae Anne for organizing the on-ice activities, prizes and music.

Received great help with decorating as well as cleaning up; both skaters, guests and parents all chipped in and it didn't take long at all. Offering the pizza/punch was a great idea and I think more families participated knowing they didn't have to bring a potluck item...way more convenient for all our busy families.

I think we ended up having 7 tables set up so I am thinking for next year we should make it 8. We ended up purchasing 13 pizzas with a couple of pizzas leftover. We ended up 'donating' them to Frank Barbas for \_\_\_\_\_ (sorry brain isn't working can't remember). There are some punch supplies leftover so Carrie will freeze it and we can use it for our Christmas Family Skate.

If we want to focus on 'skating' and fundraising rather than doing our standard potluck I think this is the way to go.

\$ 40.00 Float

\$300.75 income

\$163.73 expenses

**\$137.02 profit**
