

## Fundraising report Jan/2017

As of today we have a number of fundraisers on the go.

\*\* SuperStore Grocery bagging is scheduled for Jan 29/2017--- So far we have enough volunteers for at least 3 hours of bagging. Hopefully we can round up a few more for a second 3 hour shift.

\*\* Valentines Day themed Skate-A-Thon. We have implemented a fun skate a thon day for Feb 15/17. We are to use a Canskate timeslot and am hoping to have donated prizes. IF I cannot get enough donated prizes is there money to buy a few items? Small expense to run a fundraiser I would think.

\*\*BP dinner/auction has been postponed as it ended up on the same weekend as the competition. Waiting to hear back from the owners on whether there is another weekend that we could hold it on. Likely be after April.

\*\*Possibly try again for bottle drive early spring as we did not have the volunteers for January.

\*\*Do we hold a raffle or 50/50 or both during Ice show/Gala or at the banquet?  
What kind of funds are available for prize purchase if donation availability fails?
