

Board Meeting – March 28<sup>th</sup>, 2017

### Publicity

Artistry on Ice Showcase went off without a hitch. Great attendance and feel the event posters and newspaper advertisement helped attracted such great numbers. Approached the local radio stations and was able to submit information via email for one – the Eagle – did not hear any advertising on there though. The other local radio station 2Day FM required more time to fill out their paperwork so for future events we will need more lead time for notifying the local radio stations.

Respectfully Yours,
