Thanks for letting us know and Cara has a report for the parade. Unfortunately it has to be a big rig to enter this parade so I don't think we will be able to do that unless we know somebody that has a big rig.

The answers to your questions will be found in the minutes when I send them out.

I am sorry for the late cancellation for Tuesday evening. I have to work in Victoria on Tuesday evening. I will be unable to attend. So sorry for the late notice.

I've never made a report, LOL, so I am just going to leave this here:

1. Great job to us!!! we raised \$995.72 at our bagging day! So awesome!
- 2.I wanted to bring up at the board meeting were our Christmas Skate. I would love to have it be the pizza fundraiser again it made it so easy (no one likes cooking). One thing I was curious about is if we could purchase our own Santa Suit. The cost is \$150 so that would need to be voted by the board. I can order from Amazon easily.
- 3.About the Christmas Parade? Were we entered? I do have truck and carhauler available if needed. I couldnt find anything online about it. Not sure where to even look or make application for?
- 4.Also, would like better clarificiation on what we are fundraising for. Johanna and Heidi both lit up at the idea of going to Vancouver to seeing some skating show <3 Now this is something I could really see them busting their butts to fundraise for? A weekend Vancouver Trip to be inspired by the best of the best? Team jackets that are meant for competing in? What are we actually raising money for? It's a question I get asked about and I say to keep ice costs low.

Again I appologize, I am normally always free, but I have had this booked for a month and completely forgot about it until an alert email popped up. I am really sorry gang!
